

**2nd Annual
Bees & Blueberry Festival
July 29 & 30, 2006, 10am-6pm
@ Honeyland Canada, Pitt Meadows, BC**

Showcase Opportunity

We invite you to take part in the **2nd Annual Bees & Blueberry Festival, July 29 & 30, 2006** at Honeyland Canada in Pitt Meadows. Previous events have been a tremendous success. Last year the festival attracted 3000 visitors who came out to discover the marvelous world of bees & honey and enjoy a day on the farm!

Bees & Blueberry Festival is a fun filled educational, action packed two-day event targeted at families and people of all ages. It will offer a variety of attractions including Dr Bee and his truly astounding bee beard stunt, guided interpretive tours of the bee farm, children's entertainment with Norden the Magician™, contests and an arts & crafts zone, blueberry pie eating contests, seminars, a true blue pet parade and each day will wrap up with a delicious ice cream social! There will be on-site food concessions, farm fresh fruit and veggies for sale and an array of outside vendors, plus much, much more. We anticipate this event will attract 1500+ visitors per day.

The festival mandate is to offer visitors an insight into the importance of agriculture, and to provide a wide selection of farm fresh products, active lifestyle ideas and creative goods and services that are keeping with the "healthy lifestyle" theme. We have been very pleased with the flow of traffic and sales at past Honeyland events and we are delighted to provide an opportunity to have exhibitors / vendors on site this year to value add this year's festival. **Book your exhibit space early to avoid disappointment.**

This package includes: Vendor application form and Vendor agreement form. Please submit your completed application, signed vendor agreement and payment for the cost of your space by mail, no later than **July 21, 2006.** The earlier, the better! **Forward your package to the following address or fax to 604-465-6921.**
